# Commercial Domestic Landscape Contractors

C D Landscapes Ltd is an established and expanding company with extensive experience in

- **Commercial and Domestic Landscaping,**
- **Groundworks and Minor Civils,**
- **Maintenance and**
- **Facilities Management.**

CDL has fully trained teams of staff operating throughout the Central Belt of Scotland covering the Glasgow, Edinburgh, Fife, Ayrshire and Stirling areas and farther afield when required.

Fully insured, CDL offers the FULL landscaping and civils works package to commercial and domestic clients from concept plans through to full creation and then ongoing maintenance.

CDL is focused on customer satisfaction and prides itself in providing a high standard of service to meet the needs of all our customers. Our commitment to quality standards ensures that at CDL we source all our planting materials from the best quality suppliers.

Along with our high standards of quality, we feel it is important to comply not only with our landscape credentials and qualifications, health and safety policies but also with the requirements of a solid environmental quality management system where we aim to recycle as much of all waste arising from our activities.
